GOING FOR A RIDE

Katie Sechrist, 9, of Irwin, holds her stuffed bear Stanley after finishing a ride on Snoopy 1. Katie, a cancer patient who has been treated for acute lymphoblastic leukemia at Children's Hospital of Pittsburgh of UPMC for five years, took a ride on the MetLife blimp at Rostraver Airport on Saturday as part of the Believe in Tomorrow Children's Foundation programs. The blimp and its crew are in town to broadcast the Steelers game today at Heinz Field.
